Re: Case #: 4620990

Dear Mr. Barrett:

This letter is in response to the enclosed Workers' Compensation participation dispute for Dr. Steven Holland.

MultiPlan has reviewed your inquiry. We stand by our original determination that Worker's Compensation was included in the contractual relationship between Private Healthcare Systems, Inc. ("PHCS") and Dr. Steven Holland.

Section 3.7 of the PHCS Participating Professional Agreement states:

***3.7 Product Participation and Requirements. This Agreement may contain references to each of the products offered by PHCS. Upon written notice to Participating Professional, PHCS will, in its sole discretion, designate those individual product(s) for which Participating Professional participates as part of the PHCS provider network. Participating Professional will cooperate and comply with the product specific requirements applicable to Participating Professional contained in Exhibit B and/or described in the administrative handbook(s). PHCS may, in its sole discretion, modify Exhibit B and/or the administrative handbook(s).***

MultiPlan sent notification to Dr. Holland dated April 25, 2011, advising of his participation in the Workers' Compensation Network. Workers' Compensation is also reflected as a network/product in the MultiPlan Network Professional Handbook

Again, MultiPlan stands by our original determination that the discounts applied are valid, based on the fact that, Workers' Compensation was included as part of the PHCS Participating Professional Agreement.

MultiPlan deems this case closed based on the fact stated above.

Sincerely,

Erica Paquette
